Dear colleague,

the NRW Research School BioStruct at the Heinrich-Heine-University Düsseldorf is funded by the federal German state of North Rhine-Westphalia and dedicated to the PhD-training of excellent young talents in Structural Biology with a clear emphasis in the fields of Molecular Medicine and Biotechnology.

BioStruct offers successful candidates innovative education and research programs within a stimulating interdisciplinary environment funded by scholarships including a personal stipend and contributions to travel and research expenses.

Applications for BioStruct scholarships require at least two letters of recommendations. Thank you for considering giving a recommendation, which is a vital and important element of the BioStruct evaluation procedure. We kindly ask you to fill in the enclosed form and send it together with your letter of recommendation directly by email (application@biostruct.de) to BioStruct. Your contribution will surely be considered as confidential.

To assure that the candidate can be considered in the first call for applications, your letter should arrive prior to the according deadline (Feb 20th 2012).

Thank you very much for your time and efforts.

Yours Sincerely,

Prof. Dr. Lutz Schmitt

Prof. Dr. Dieter Willbold
